

integrated amplifier DIAPASON

"...Diapason highlights tone structure of each note. We perceive precisely voice intonations.... Between neat tones, uncommon liveliness for that kind of product and price, and a linear tone balance, seduction criteria for Diapason are plentiful..."

Haute Fidélité

TECHNICAL DATA

Type:	Integrated Amplifier
Class:	AB, semi automatic bias
Input/Output:	6 line inputs (RCA), USB as an option, 1 output for loudspeaker
Bandwidth:	@ - 3dB: 20 Hz to 25kHz
Load Impedance:	4 to 8 Ohms
Input impedance:	> 100KOhms
Power:	2 x 15 W
Sensitivity:	10mV
Tubes:	1 x ECC82, 2 x ECC83, 4 x 6L6
Dimensions:	37 x 16.5 x 35 cm
Consumption:	150W
Weight:	12 kg
